**Add sparkle to your holidays with these stunning metallic ornaments. Decorate your home, and share with your friends as special gifts. For variety, change the red to #4 Christmas Green or #6 Royal Blue.**

1. Cut two pieces of canvas (18 holes x 23 holes) and trim according to dark outer lines of pattern, making two identical pieces for each ornament.
2. Work White Pearl (#10) areas in Half Cross Stitch. Work red and gold areas in Slanting Gobelin Stitch as indicated on chart, being careful so that the yarn does not twist but lays flat on the canvas. Weave in all ends securely on the back side.
3. Place the two stitched pieces back to back and sew together using Red (#5) yarn and the Overcast Stitch. When the overcasting is about half done, begin stuffing with small bits of batting or stuffing. At the bottom center of the ornament sew the gold tassel in place on the wrong side of one piece, and overcast around it to anchor it in place allowing it to hang freely from the bottom.
4. Form a bow from the  $\frac{1}{4}$ " ribbon and use the  $\frac{1}{16}$ " ribbon to wrap around it securing the knot. Clip ends, and glue to the top of the ornament. Cut an 8" length of Red (#5) yarn, form into a loop and sew or glue to the top back side of the ornament for a hanger. Glue the ruby cabochon gems to the center of each gold portion.
