PC1-Gold {Overcast Edges}

1. Cut plastic canvas (35 x 27 holes) and trim according to dark outer lines of chart.
2. Work the Midnight Blue (PC26) portion in Continental Stitch and the stripes in Slanting Gobelin, working the white stripes first. Using the Snow colored yarn (PC25) work the French Knots on top of the blue portion for the "stars." Overcast the entire outer edge with Gold (PC1) yarn.
3. Wrap the gold glitter stem around a pencil to coil. Curve slightly, and using the Fabri-Tac Permanent Adhesive, glue the ends to the top back side of the heart for a hanger.
