

Nancy Cucci Design for Rainbow Gallery "Sweethearts"

Materials

8" x 8" 18-mesh mono canvas
 1 card Fyre Werks - hearts
 1 card Neon Rays - border
 2 cards Neon Rays - background

(Sample uses F38, N26, N02)

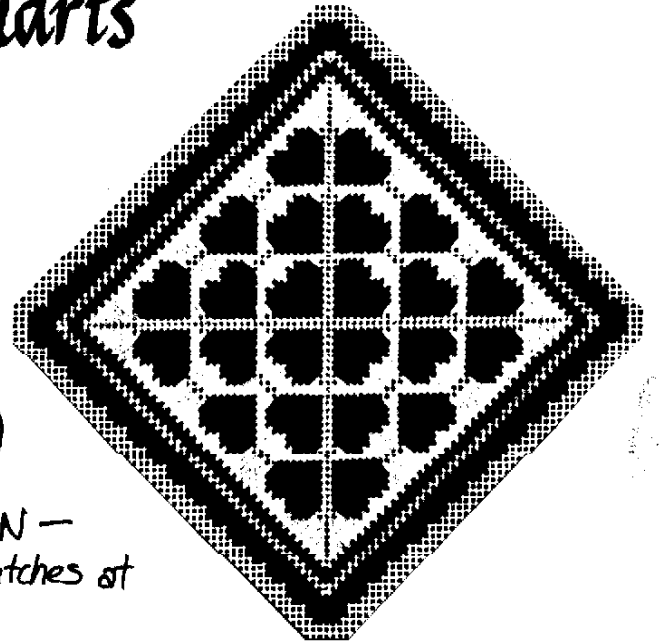

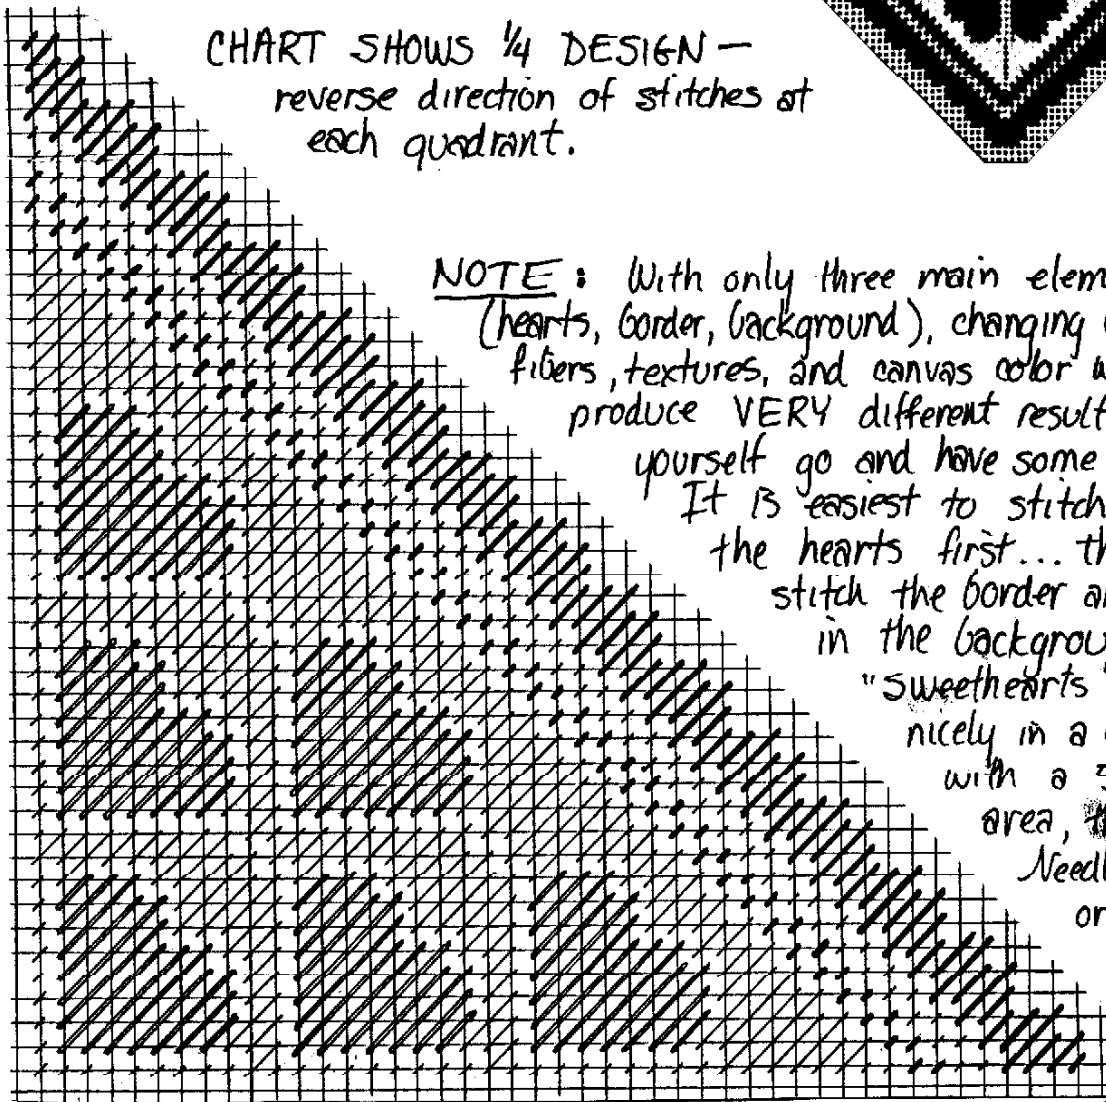

CHART SHOWS 1/4 DESIGN -
 reverse direction of stitches at
 each quadrant.

NOTE: With only three main elements
 (hearts, border, background), changing colors,
 fibers, textures, and canvas color will
 produce VERY different results. Let
 yourself go and have some fun!
 It is easiest to stitch all
 the hearts first... then
 stitch the border and fill
 in the background.

"Sweethearts" fits
 nicely in a boxtop
 with a 5" design
 area, the Sudberry
 Needlework Trivet,
 or a 4" square
 Lucite
 paperweight.
