Cut 2 pieces

Sides
Cut 2 pieces

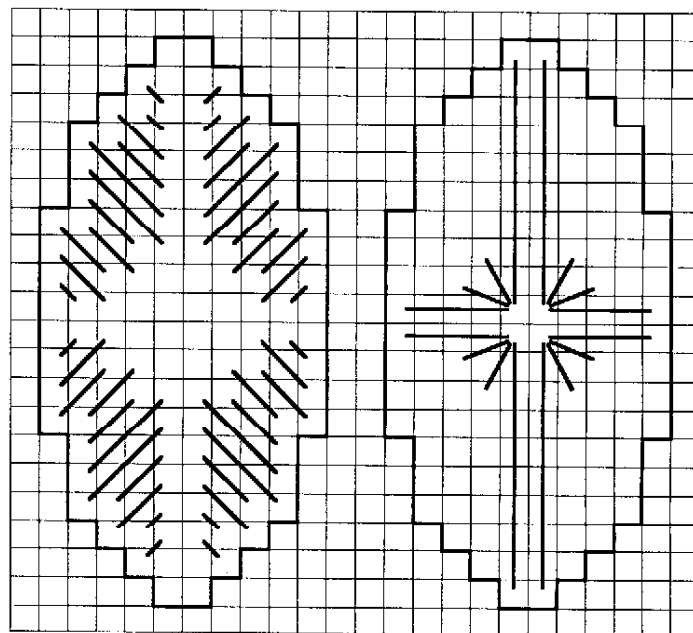

1. Trim canvas pieces according to dark outer lines of patterns, making two of each.
2. Long stitch two of each piece according to graph and color codes. Adjust tension so that yarn covers completely. Lay stitches flat, taking care not to twist yarn. Work GOLD yarn last.
3. With wrong sides facing, use BLUE yarn to whip stitch sides and ends together along short ends to form a rectangle. Then whip stitch top and bottom to sides to form a closed box.
4. Tie a piece of the GOLD yarn in a bow at the center of the long straight stitch on top of the box.
5. Thread GOLD yarn through one corner of box for a loop for hanging.
