Fill in unmarked areas of skirt with #13 Fuchsia.

1. Cut one piece of canvas (21 holes x 34 holes) and trim according to dark outer lines of pattern.
2. Work the star halo in Continental, overcasting the outer edges at the same time. Work the face, collar and bodice of dress, hands and fuchsia stripes on skirt in Continental. The purple stripes are worked in Slanting Gobelin. Overcast the side edges of the skirt in purple at the same time. Work the hem in gold Continental, overcasting those edges with gold as well. The hair, sleeves and wings are all worked in long slanted stitches noting the direction of the stitches. Overcast the wing edges with white pearl at the same time.
3. Using sewing thread tack the heart charm in place between the hands.
4. Cut an 8" length of white pearl yarn, form into a loop, and sew or glue to the top back side of the angel for a hanger.
