1. Cut one piece, 28 holes x 32 holes, and trim according to dark outer lines of chart. Carefully cut away hole in handle of candle holder.
2. Work Forest Green outline stitches for holly leaves, overcasting outer leaf edges at same time. Take long straight stitches with Green to fill in leaves, and work long stitches in Forest Green on top for veins. Work candle flame and candle holder in Gold, overcasting the edges with Dark Gold. Work candle in rows of Slanting Gobelin using Red, overcasting candle edges at the same time. Work holly berries in French Knots, wrapping the yarn twice around the needle for larger knots. Take a straight stitch with Black for the candle wick.
3. Cut a 7" piece of Dark Gold, form a loop and glue to the top back side for a hanger.
