1. Cut one piece 18 holes x 45 holes. Trim according to dark outer line of chart.
2. Work the following areas in Continental Stitch: hat and band, face, hands, legs, collar, body of jacket, pumpkin, trousers and shoes. Work the hair and sleeves in diagonal stitches noting the direction of the stitches. Take straight stitches for the buckles and pumpkin stem. Using the lighter weight black yarn make a Cross Stitch for the center of the bow. Take long straight stitches for the remainder of the bow. Make French Knots for the eyes. Overcast all edges with the color adjacent to the edge.
3. Cut a 7" piece of yarn and glue to the top back side to use as an ornament or glue to a fall wreath as an accent.
