 Daisy Stars From "the collection" TSQ-25  
 (781) 756-8960  
 Sundance Beads Size 14 Color #11-Christmas Red

#### Finished Size-4" x 4"

1. Outline-Before mounting your canvas on stretcher bars trace bold square outline above onto canvas with marker.
2. From the top left corner of your outline count down 14 threads and begin stitching the first set of vertical lines with NP300 working horizontally across the canvas to the right side. Go back to the left and fill in additional lines with V632 and F34. See chart for placement. After first set of vertical stitches are completed, count down for placement of your next set. In total you will have four horizontal rows of stitches.
3. With SK10, backstitch outline circles working from left to right on top and bottom of each set of vertical stitches.
4. In open area of each circle place a Daisy Star attached with a red bead. Use SP27 for your beading thread.

*Surprise, this ornament will "Glow In The Dark"*
