1. Outline-Before mounting your canvas on stretcher bars trace bold square outline above onto canvas with marker.
2. From the top left of your outline count down and in 4 threads and begin straight stitches using FT9. Work horizontally across for each row. See chart for stitch and placement filling in outlined area.
3. Place Cross Stitches between horizontal rows over 2 threads. Smaller Cross Stitches are between vertical rows. Refer to chart for stitch count and placement.
4. In open rows place Daisy Stars with bead on top using SP123.

These can be made into roll up ornaments or coasters.
