---------------------	---------

Finished size-4" X 8" stitched on #12 mono canvas.

1. From top left corner of canvas measure 4" over and 3 1/4" down to begin tent stitching **"BOO"**. Use Z002. Follow chart. Fill in the center holes of each letter with LB01.

2. After you have completed **"BOO"**, you need to decide how much Horizontal Plaid you wish to stitch. The model measures 4" X 8" on #12 mono canvas. If you wish to stitch it just like the model, measure up 1" and over 1 1/4" from the top right of the second **O** to begin Step #1 of the Horizontal Plaid. At this point you may wish to darken in the white canvas with your Zig Textile Marker. Step #1 is worked from right to left in vertical rows and consists of the following:
 - LB01 – 6 rows
 - LB36 – 3 rows
 - LB12 – 1 row
 - LB30 – 4 rows
 - LB02 – 1 row

Repeat until you have filled in 4" by 8" or your desired size.

3. Step #2 - Start at the right side and stitch in the same sequence as Step #1, however stitch in horizontal rows to fill in open spaces. Continue working till desired size is completely filled in.

You can create your own Horizontal Plaid using different combinations. Be creative.

**For #18 mesh canvas use Silk Lame Braid #18 and Petite Sparkle Rays PS21-White. Canvas size 8" X 10". Finished size is 2 1/2" X 5 1/2".
